House Description

The Eden, with four bedrooms and three baths has everything you've been looking for! A large covered entry graces the front of this wonderful home. Through the front door, a guest will find a large great room with plenty of space and functionality. High cathedral ceilings continue through the great room, dining and kitchen. The spacious fully equipped kitchen has a large pantry for storage and a decorative plant shelf. The kitchen island also has an island bar that ensures guests and cooks will always have something to talk about.

The Eden

*Flex Space, need a private office, craft room, another closet, or convert this space to a garage workshop.
